Sri Chinmoy Self-Transcendence Triathlon
Gratitude, Gratitude, Gratitude for 37 years!!!

With utmost gratitude to you, who have given us your enthusiastic participation, commitment and inspiration over so many years, we sadly announce that we will not be organizing a triathlon, duathlon or new event in August 2017. If you have any comments or anecdotes to share, please contact the Sri Chinmoy Marathon Team at 250-592-6211 or scmtinfo@shaw.ca

The Sri Chinmoy Marathon Team of Victoria has been privileged and blessed to have shared countless wonderful experiences in so many different ways with you, your families and friends and our neighbours along the routes!! Our gratitude-hearts we offer to you — each and every athlete, volunteer, supporter and well-wisher — young, old, and in-between, who have not only made this event possible, but fully offered your hearts' goodwill!

You inspired, energized and encouraged us, and together we created an amazing event from the heart ~ year after year after year!!

Our 37 years have been nothing less than one miracle after another!

“Never give up!”

Internationally, Sri Chinmoy Marathon Team races are inspired by our team founder Sri Chinmoy and his philosophy of self-transcendence. Although our Victoria Self-Transcendence Triathlon/Duathlon has retired, the inner flame is inextinguishable! We have many more races and adventures to run!

*“The determination in your heroic effort
Will permeate your mind and heart
Even after your success or failure
Is long forgotten.”
